SGT may from time to time execute transactions as the Trader/Investor's agent on the OTC market to trade currencies, pursuant to an agreement between the interbank agent and SGT, and that a trade executed between one bank executes a trade onset by another banking agent.

The Trader/Investor understands that he/she may be giving up the right to arbitration through the above paragraph on foreign exchanges.

- All Trader/Investor accounts will have their margin requirements established by the dealing desk at SGT.
- SGT establishes all rules and provisions for Trader/Investor accounts, including but not limited to minimum account size, investment time period, commissions and incentive fees, or any other financial arrangements.
- It is the customer's responsibility to find out all necessary information about SGT and make sure that all arrangements are discussed and clearly understood prior to any trading activity.
- This Agreement, the rights and obligations of the parties hereto, and any judicial or administrative action or proceeding arising directly or indirectly hereunder or in connection with the transactions contemplated hereby, whether brought by Trader/Investor or SGT, shall be governed by, construed and enforced in all respects by the laws of the British Virgin Islands.
- All customers should be aware that guaranteeing any return is not possible. In addition, SGT is not responsible for any claims or assurances made by SGT, its directors, employees, agents and/or associates.
